

Survey 1 - December 2021

This is just for me to gage where everybody is at the moment, answer the questions below.

Question 1. Do you like math in general?

Question 2. How hard is the class so far? Explain why you think it is difficult or why you think it is easy.

Question 3. What more would you like me to do in Unit 2?

Question 4. What would you like me to **stop** doing or at least reduce doing in Unit 2?
