

Grammar Lesson 8 - Example List

Long Direct Quotes

1. Examples: For examples, refer to “Intruder in the Dust” Essay.

Direct Quotes:

1. "Your research papers will be due at the end of the semester," the teacher said. "How long do they have to be?" one student asked. "Roughly ten pages," she replied, "so we'll be focusing on your research skills for much of the course."
2. "Take the time to proofread your essay," the teacher said, "before you hand it in."
3. "Have you ever taken an online class?" my counselor asked.

Indirect Quotes:

1. The teacher announced that the assignment would be due next week, and then he proceeded to explain what we needed to do for this assignment.
